EDUCATION

- **Attending Master's in Data Science**
KTH, Stockholm, Sweden | August 2021 - June 2022
TUB, Berlin, Germany | October 2022 - Current
- **Bachelor's degree in Computer Science**
University of Trento, Trento, Italy | September 2018 - July 2022

WORK EXPERIENCES

- **Data Science Internship**
Eurecat, Barcelona, Spain | January - June 2021
Working in a team of six people, analyzing emotions in messages written and received by a user in Wikipedia talk pages over time using Python.
- **Web Developer Internship**
Aqrata, Montebelluna, Italy | Summer of 2016 and 2017
Continuous development of multiple restful web apps and APIs used by the company itself or their clients. Developed with Angular, .NET Framework, ASP-NET MVC and Azure authentication services with TypeScript, JavaScript and C#.

OTHER EXPERIENCES

- **Summer School - Solutions for Healthier Digital Cities**
Université de Rennes 1, Rennes, France | July 2022
Work in teams on challenging cases, with the end goal of creating a start-up solving the problem. We took courses on Entrepreneurship and Business analysis.
- **Electric Racing Car Telemetry**
Eagle TRT, Trento, Italy | September 2020 - June 2021
Developing a telemetry software using C for an electric formula SAE car, designed and build by the Eagle Trento racing team since September 2020.
- **WebApps as Management Softwares**
Developed management software applications as web apps using Vue, Node.js, MongoDB and SQL databases and two websites to for local companies with php.
- **Hackathons & Competitive Coding Challenge**
Google Hash Code | Reply Code Challenge | Noi Hackathon in Bolzano | hack.developer in Venice
- **Personal Projects**
Developed on my free time on the topic of WebApps, Telegram and Discord bots, Android Apps, Arduino and Data Science. Available at github.com/nicolatoscan
- **Photos and Video Editing**
Filmed and edited short videos and photos for local public initiative like calendars, local festival posters and short videos for some of my city events.

SKILLS

SOFT SKILLS: Flexibility, Team work, Work under pressure
